This is the second office action for application number 10/817,474, Mounting Assembly for a Dental X-Ray System, filed on April 2, 2004.

Examiner's Amendment

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

The application has been amended as follows:

In line 1 of claim 2, "2" has been changed to --4--.

In line 1 of claim 3, "3" has been changed to --5--.

Reasons for Allowance

The following is an examiner's statement of reasons for allowance: the primary reasons for the allowance of the claims in this application are the limitations of a mounting assembly for a dental x-ray assembly, having a base plate member formed with outwardly-extending wall portions defining a U-shaped chamber about a longitudinal axis thereof and including upper and lower cooperating threaded orifices, a plurality of orifices disposed along the longitudinal axis of the base plate member, an elongated bearing block member rectangular in cross section disposed within the U-shaped chamber, the elongated bearing block member is formed with a downwardly-extending leg portion formed with a threaded orifice and wherein a surface of the

Art Unit: 3632

elongated bearing block member facing the U-shaped chamber is formed with stepped surface portion, the elongated bearing block member having upper orifices for alignment with and in rotating relationship to the upper cooperating threaded orifice by threaded members, and the elongated bearing block member having support means for a support member of the dental x-ray assembly, now included in independent claim 1 and in combination with the other elements recited in the claim, which is not found in the prior art of record.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Conclusion

The numbering of claims was not in accordance with 37 CFR 1.126 which requires the original numbering of the claims to be preserved throughout the prosecution. When claims are canceled, the remaining claims must not be renumbered. When new claims are presented, they must be numbered consecutively beginning with the number next following the highest numbered claims previously presented (whether entered or not).

Misnumbered claims are 2 and 3 have been renumbered 4 and 5.
